- He used gold leaf in his paintings.
- Most of his paintings included women.
- In 2006 his painting of *Adele Bloch-Bauer* sold for \$126,000,000

# Vocabulary terms

**Pattern**- a decorative repetition of shapes, colors, or other elements of art.

**Contrast**- the technique of creating visual interest by placing elements of difference next to one another.

## Steps:

Brainstorm 16 different patterns. Try to achieve a variety of contrast between dark dense patterns and light sparse patterns.

Find a magazine image of a person, trace it, then carefully cut it out.
